The Best Hotels In Anguilla

Michelle Gross Contributor ⓘ

Connecting countries, cultures and cuisine, one flight at a time™

A little more than 12-miles off the coast of St. Martin, Anguilla has long been home to some the Caribbean's most beautiful and exclusive hotels. The destination of choice for the luxury travel set and occasional visiting celebrity (including Beyoncé and Jay Z, Sandra Bullock and Leonardo DiCaprio, to name a few), travelers to the eel-shaped island come back time and again for the wide range of beautiful beaches, turquoise water, incredible dining scene and, of course, the chance to be pampered with impeccable service at luxury accommodations. The fact that the island has an embargo on cruise ships makes it all the more desirable.

With no shortage of wonderful options to choose from, here are the best hotels, resorts and manors on Anguilla.

Frangipani Beach Resort

THE FRANGIPANI BEACH RESORT

Frangipani Beach Resort has long been considered one of the island's best boutique hotels. Explore Meads Bay using the hotel's complimentary catamarans or paddleboards, then sidle up to the beach bar or rest under a palapa. However you like to enjoy an island vacation, don't miss the chance to try some locally caught grilled lobster and sweet plantains at the hotels award-winning Straw Hat Restaurant.
