

FRANGIPANI BEACH RESORT

The question is often asked: What brought you to Anguilla? **Frangipani Beach Resort** is our family's only property, and that's not without reason. It wasn't the hotel that brought us to Anguilla; it was Anguilla that brought us to the hotel. The island attracts an incredible repeat guest base, and we consider ourselves part of that group. Those who visit Anguilla will recognize that it holds something special: the friendliness of the people, the spirit of the island, the raw beauty of the Caribbean of old that is becoming increasingly rare. We are here because we love the island, and our goal is to share that with each and every guest that we welcome. We believe in celebrating hospitality in its truest sense: not just as a business but as a way of helping to create richer life experiences for travelers. We look forward to welcoming you to the island.
