The Top 25 Resort Hotels in the Caribbean, Bermuda, and the Bahamas

JACQUELINE GIFFORD JULY 10, 2018

Whether you're looking for an adults-only retreat, a luxe all-inclusive, or a family-friendly property with tranquil shores for kids, the Caribbean Islands, Bermuda, and the Bahamas do not disappoint. Our readers' favorite hotels in the region cover all three types of properties — and then some.

Every year for our World's Best Awards survey, T+L asks readers to weigh in on travel experiences around the globe — to share their opinions on the top hotels, resorts, cities, islands, cruise ships, spas, airlines, and more. Hotels were rated on their facilities, location, service, food, and overall value. Properties were classified as city or resort based on their locations and amenities.

The No. 1 property is in Anguilla — which, fittingly, was also voted the top island in the region overall. Read on for the full list of top hotels in this diverse part of the world.

1. Frangipani Beach Resort, Anguilla

Score: 97.88

This boutique property of 19 rooms and suites, plus a four-bedroom villa, is set on Meads Bay — just one of the 33 gorgeous beaches on Anguilla, the No. 1 island in the region for the second year in a row. Service, as well as the on-site restaurant, Straw Hat, stood out to our readers, who voted Frangipani the No. 1 resort hotel in the region for the first time in World's Best history. "The staff remembers your name and helps share their love of exploring Anguilla."
